InLCA/LCM-2003

This conference is the third in a series, and is sponsored by the American Center for Life Cycle Assessment, the United Nations Environmental Program and the City of Seattle.

The newest thought in the field of Life Cycle Assessment and Life Cycle Management will be linked to progress in applying lifecycle tools for purchasing, policy and product and service development.

Fees:

Early Registration (before August 22) US\$ 295

Late Registration US\$ 395

One Day Early US\$150 (before August 22)

One Day Regular US\$200

Conference highlight

- Opening Keynote by Guido Sonneman, of UNEP
- Closing Keynote Alan Hecht, Director Sustainability USEPA
- A workshop on scoping LCA for municipal applications;
- A conference session evaluating car power trains using LC and other tools from a wide variety of viewpoints;
- A workshop sponsored by the Sustainable Products Purchasing Coalition; and
- A roundtable discussion by US and Canadian legislators about the potential for incorporating LCA into legislation.

Details can be found at
